Extraordinary  
Value!

# BTP-P35

Mobile POS Printer

The BTP-P35 is a small and lightweight mobile receipt printer... a prudent choice for any mobile receipt printing application where you need fast, on-demand printing with speeds up to 102mm (4") inches per second. The BTP-P35 also features a long-life Lithium-ion battery. The optional integrated magnetic card reader allows credit cards to be processed immediately at the point of transaction, increasing customers' sense of security since the credit card does not leave their sight.

- Compact, Mobile Printer with OLED Display
- USB+Bluetooth and USB+WiFi Interfaces
- SDK Available for Apple iOS™ and/or Android™ Compatibility
- Includes 2600mAh Large Capacity Lithium-ion Battery
- Meets IP54 Standard for Exposure to Water and Dust
- Withstands Drop of 5 Feet (1.5 Meters)
- Optional Magnetic Card Reader / Chip Card Reader

# BTP-P35 Mobile POS Printer

Compatible With Smart Devices
